- Government & Public Sectors

Corporate Overview
Founded in 2006, AITA Consulting Services, Inc. (AITACS) set out itself to be a leading IT Services and Consulting Company - headquartered in North Brunswick, NJ with presence across the United States and have branches in Canada, Singapore & India. Our mission is to connect people with technology to enhance growth, elevate productivity, and empower innovation by providing expert guidance, state-of-the-art software tools & techniques, and exceptional knowledge to solve the technology challenges.

Our strong foundation in people, process, technology combined with best practices and 15+ years of service excellence, brings top-flight expertise and effectiveness in all aspects of client engagements, spanning project management, analysis, design, architecture, implementation, quality assurance, deployment, and support.

AITACS has partnered with Salesforce, IBM, Cisco, Microsoft, TIBCO, Red Hat, Snowflake, BMC, and Automation Anywhere to provide Next-Gen IT Services & Solutions.
